CONSENT TO RECORD A PERSON'S IMAGE AS PART OF A VIDEO PRESENTATION

Name :

Residing at :

Hereafter designated as Author,

Hereby grant:

Dr. Samuele Anni, Dr. Valentijn Karemaker, and Dr. Elisa Lorenzo García, hereafter known as “the organisers of AGC[^]2T 2021”, and

The *Centre International de Rencontres Mathématiques*, hereafter known as “CIRM” (research unit UMR 822), directed by Mr. Pascal Hubert, acting on behalf of

- The *Centre National de la Recherche Scientifique*, hereafter known as CNRS, a public institute for science and technology (head office: 3 rue Michel Ange 75794, Paris–France, identification number: SIRET 18008901303282) which is presided by Mr. Antoine Petit whose right of signature is assigned for the present contract to Mrs. Ghislaine Gibello, CNRS delegate for Provence and Corsica (31 chemin Joseph Aiguier, 13402 Marseille – France)

and

- The *Société Mathématique de France*, hereafter known as SMF, non-profit organisation under French law (head office: 11 rue Pierre et Marie Curie 75005, Paris-France, identification number: SIRET 784263709) which is presided by Mr. Fabien Durand, and with a charity status,

the non-exclusive right to use and to broadcast my image, recorded on Zoom, as part of the conference / seminar entitled : **Arithmetic, geometry, cryptography, and coding theory 2021**,

for use as a video with the provisional title:

The duration of the video will be approximately **one hour**. The video will be recorded via Zoom with the purpose of creating material for educational, cultural or scientific use, and for commercial or non-commercial purposes

The Presentation will be stored in audiovisual digital form. The image, the speech of the presenter and any supporting material including presentational aids will be recorded. The recorded data may be modified in accordance with the institute's graphic charter and by the addition of other information, such as chaptering. The resulting video will be broadcast digitally and the temporal synchronization and ordering of the presentation will be respected. It is understood that this material will be broadcast on the Internet.

The above-mentioned video is intended for public presentation and reproduction.

The public representation of the above-mentioned video includes transmission to the public via:

- public projection,
- broadcasting using any means of transmission (whether analogical or digital, airwave, cable or satellite) including all electronic communication networks, such as Internet,
- broadcasting of the video on the Internet by CIRM under the 'Creative Commons - BY NC ND' licence (giving permission to download and share the material, on condition that the original authors are acknowledged, that the material is neither modified, amended or remixed and that the material is not distributed or shared for any commercial purpose). This licence can be consulted at: <http://creativecommons.org/>

- broadcasting of the work in a location accessible to the public,
- broadcasting of the work via satellite, thus allowing for the reception of the work by third-parties,
- and more generally by any existing or future formats.

The CIRM and the organisers of AGC^2T 2021 shall ensure reproduction of:

- the original copies, including duplicates and copies made using any existing or future formats,
- any adaptation of the work into French or any other language (dubbing or subtitling).

This consent form is valid for the entire duration of the video's exploitation.

The Author consents to the recording, storage and public representation of his / her image in accordance with the above-mentioned conditions.

The Author hereby grants and waives his / her authors' rights under the following conditions:

The CIRM and the organisers of AGC^2T 2021 undertake to broadcast a video of the Author's presentation under the 'Creative Commons-CC BY NC ND' licence, whereby:

Downloading and sharing of the Author's presentation are permitted on condition that:

- the name of the author must be acknowledged,
- the video must not be modified, amended or remixed,
- the video must not be distributed or shared for any commercial purpose.

The Author may exercise his / her right of retraction at any point.

The Author grants the CIRM and the organisers of AGC^2T 2021 full and unlimited use of his / her authors' rights, and forgoes all rights to damages or claims. The Author declares that the Presentation with its accompanying material includes no content, which has been plagiarised from any other work by any means, in accordance with the French code on Intellectual Property, in such a way that may render the CIRM and the organisers of AGC^2T 2021 liable to prosecution.

The Author declares that his / her Presentation includes no content which is defamatory or in violation of French laws in force at the time of recording.

The Author grants his / her rights, non-exclusively, to the CIRM and the organisers of AGC^2T 2021 under the following conditions:

★ The CIRM and the organisers have the right to reproduce the Presentation, either in part or in totality, by any technical means, including digital:

- in digitised form, whether mobile or fixed, connected to a network or not,
- on the platforms of websites which are in partnership with the institute, for the purposes of promoting education, science or culture.
- on reference websites, such as Dailymotion, Youtube, Vimeo, etc.
- in other forms or in any existing or future formats according to current technology.

★ The CIRM and the organisers of AGC^2T 2021 have the right to disseminate the Presentation by broadcasting:

- on a network, whether by cable or wireless or any other means (Internet, local network, telephone, satellite, etc.)
- in fixed digital forms (USB sticks, CD, DVD, Blu-Ray, etc.)
- on portable devices (music-players, telephones, tablets, etc.)
- to an assembled or distant audience,
- from the online websites of CIRM, CARMIN, CNRS or any other partner institutions,

- from the video archive pages of any other partner institutions for the purpose of promoting education, science or culture
- from reference websites such as Dailymotion, Youtube, Vimeo, etc.

★ The CIRM and the organisers of AGC^2T have the right to reproduce and represent the Presentation, in whole or in totality, subsequent to the date on which this consent form is signed:

- on the video archive web pages of any of CIRM's partners, with the aim of promoting education, science or culture.
- from the knowledge-sharing pages of web platforms created or supervised by CIRM, CARMIN or CNRS for the purposes of promoting education, science or culture.

The Author grants the rights to his / her work worldwide and without payment.

For advertising purposes, the CIRM and the organisers of AGC^2T 2021 retain the possibility to use all or part of the identified video in any medium or format. The CIRM and the organisers of AGC^2T 2021 are expressly forbidden from exploiting any images and recordings which may harm my private life, reputation, dignity or the integrity of my person.

I confirm that I am not bound by exclusive contract for the use of my image or my name.
